

CHURCH KNOWLE PARISH COUNCIL

HOLIDAY HOMES/SECOND HOMES

The Church Knowle Parish Council respectfully draws the attention of all owners of holiday homes or second homes to the advice issued by central government .

The parish council asks you to exercise social responsibility and remain in your principal place of residence wherever it may be in order to restrict and limit the spread of the coronavirus, Covid19. Sadly our rural community has a limited infrastructure to cope with any increased demands on public services and in particular the NHS in these unprecedented times.

Thank you for your co-operation in ensuring the parish of Church Knowle remains a healthy and responsible community in which to live and work and for you to return and enjoy when this crisis ends.
